

friendshop p

purchasing for a purpose

During the month of March, 25% of all purchases will benefit the Friends of Clarksville Playground Project!

You can join the Market in supporting this great cause by:

1. Donating items to be sold in the friendshop
2. Shopping in Aisle 2
3. Visiting the Friends of Clarksville display at the Market for more information on volunteering and becoming involved with this community organization

Throughout the year, the friendshop will be selecting a charity of choice each month to receive 25% of that month's total sales from Aisle 2.

For more information on donating items or about the friendshop, please email caesarcreekfrendshop@gmail.com or call the Market at 937-382-1661.
